

As a Realtor, and as a private home owner, I use Shiny Cleaning services. Their services are fast, dependable, and they do an amazing job. Whether it is cleaning a home to get it ready for resale, cleaning a home in preparation for new Homeowners to move in, or for my own personal home cleaning needs, they are, by far, the top choice! I also appreciate their quick responses to my calls, and easy, fast quotes.

Thank you for considering me to be featured on your website! I would like to return the favor. I have just learned that in an do the same with my newsletters. They are prepared for me by a Toronto company. So, send me your logo, and a blurb about your company.

Many thanks!

Pat
